GRAIN AND PROVISIONS.

Strong. Chicago, July 20.-The experience of yesterday—a weak opening and a strong finish—was repeated in the board of trade today in the wheat market. September opened % to %c under yesterday, at 76%c scalpers selling on bearish foreign news Liverpool showed poor appreciation of the advance here yesterday and her receipts for three days, 872,000 bushels, contained only 114,000 bushels from America. Argentine shipments were also large. Following the opening dip, however, reaction set in. The Chronice, estimating the California yield, reduced the prospect from 1,000,000 to 550,000 tons or 18,480,000 bushels, compared with 33,000,000 bushels, a year ago. The estimate was rather startling. The Islont had been paying more attention to other points, and the announcement sent shorts to cover. Later in the day very gloomy reports from North Dakota came as a buil influence, and helped along the advance. The market during the forenoon climbed to 38, dropped on profit-taking to 77%,077½c, and then recovered to 7844078%c, and closed strong %.6%c over yesterday, at 77440 77%c.

Oats were strong, in sympathy with wheat and corn, but trade was quiet. September closed 40% up, at 25%05%c.
